Tier	Journal Category / Title
Tier1	Journals indexed in SSCI, SCI, AHCI, EI, TSSCI, or THCI.
Tier2	Social Science Review, and other international academic journals that utilize an anonymous peer-review system and are publicly published.
Tier3	Other Chinese academic journals that utilize an anonymous peer-review system and are publicly published.

Explanatory Notes:

- In accordance with the faculty promotion standards of the College of Social Sciences, relevant professional journals are classified into three tiers with the following point allocations:
 - Tier 1:** Journal Article (40 points); Research Note (30 points).
 - Tier 2:** Journal Article (20 points); Research Note (15 points).
 - Tier 3:** Journal Article (15 points); Research Note (10 points).
- Regarding **TSSCI** and **THCI** definitions:
 - Since 2016, **TSSCI** (Taiwan Social Sciences Core Index) refers to journals in the social sciences field that are ranked as Tier 1 or Tier 2 under the "Program for Ranking and Categorization of Taiwan Humanities and Social Sciences Journals."
 - THCI** (Taiwan Humanities Core Index) refers to journals previously listed as "THCI Core" (prior to 2015) or those in the humanities field ranked as Tier 1 or Tier 2 under the aforementioned program since 2016.
- Any other matters not covered by this journal ranking list shall be submitted to the Graduate Institute's Faculty Evaluation Committee for review and deliberation.
